Fund Transfer Is Held Legal

The disputed transfer of $10,000 from one fund to another within the city council Monday night from Kirkbride, Wilson, Harzfeld & Wallace, counsellors at law and specialists on revenue bonds.

City Treasurer Paul Selmi has charged that the transfer of the money from the water replacement and extension fund to the water works fund was illegal.

Two letters from the legal firm were read Monday night. The first message from Ernest A. Wilson, dated March 5, concluded that, "In my examination of such transactions as have already been made by the city, I am of the opinion that they are all legal. The $10,000 which was transferred from the revenue fund to the general fund of the city was to reimburse the city for the cost of capital outlay for the water system. It is a mere matter of auditing and itemizing to justify this account. It appeared that the city had considerably more than $10,000 coming and that a second transfer should be made before bringing this method of operation to a conclusion."

Second Letter

In a second letter, dated March 12, Wilson said, "This will supplement my letter of the 5th with reference to the handling of funds relating to the above bond issue. In the last paragraph thereof I stated that the $10,000 which was transferred from the revenue fund to the general fund of the city was to reimburse the city for the cost of capital outlay for the water system.

"As a matter of fact, the city set up $20,000 in the city budget for capital expenditures to be expended out of the water works fund. The $10,000 was transferred from the replacement and extension fund to the water works fund to reimburse such expenditures. In our opinion this transaction was wholly legal.

"Our only suggestion in the former letter is that while this meth-

ART COLVIN, local realtor who was recently appointed to the Civil Disaster Council, attended the initial meeting of the group Friday night at city hall.

While Colvin was busy with his newly-assumed city duties, some louts snitched four hubcaps from his car, which was parked right in front of the police station.

Mrs. LYDIA TALBOTT, 244 Westlake avenue, campaigner for things good in Daly City, suggests to this column that local children plant trees Sunday in conjunction with the Westlake park dedication.

Thus, as she pointed out, the kids can return to the park in their later years and say, "Here's the park I helped put together."

Another reader, Mrs. WESLEY FOSTER, 840 Washington street, Broadmoor, forwards us a clipping about municipal activities in the neophyte East Bay city of Fremont which contains a plan that might bear merit.

The council has adopted a policy whereby new subdivisions will not be approved if local school boards report they can't buy school sites at a reasonable price.

A good example of how municipal and school officials can scratch each others back to the benefit of all.

Mrs. Foster's commentary on the Fremont plan: "I find it very refreshing to read."

JACK KENDREE TO FILL VACANCY ON MATEO JC BOARD

U. R. "Jack" Kendree, managing director of the Westlake Shopping Center was named Wednesday to fill the vacancy on the San Mateo Junior College district board of trustees.

The appointment was announced by the San Mateo county board of education and James Tormey, San Mateo county superintendent of schools.

Kendree will serve out the unexpired term of Howard Walzer, who resigned in December, 1955, because of ill health. The term runs until June 30, 1957.

JACK KENDREE

Kendree, who also serves as president of the Daly City Chamber of Commerce, was one of six Northern San Mateo county residents considered for the position, in keeping with the board's desire to have representation from this area.

His selection as trustee was unanimous. Up to now the Jefferson High school district, which comprises most of the northern San Mateo county area, has been

Council Upholds The 1 a.m. Dance Closing Time Here

A local tavern owner's plea that dancing be allowed until 2 a.m. was turned down by the city council Monday night on recommendation of Police Roland Petrocchi.

John Trimble, owner of the Casbah, 6192 Mission street, told the council last week that the 1 a.m. closing deadline posed a "hardship" on his business.

In a letter to the council, Petrocchi said, "The purpose of the ordinance setting up the 1 o'clock closing is for better police control and supervision. If after a time, we discover the dancing does not create a problem, we might have no objection to the 2 a.m. closing."

The council was unanimous in agreeing to uphold the dancing hours as stipulated in the present ordinance.

No Candidates Yet For School Boards

No one had filed as candidates for the positions open for election on the Jefferson high school and elementary school boards of trustees as of this Thursday, according to James Tormey, county superintendent of schools.

Two positions on the high school board and one on the elementary school board are open. Terms of all three positions are for three years.

Mrs Mildred McGeein, whose term on the high school board expires, said that she will not seek re-election. Joe Lewkowitz and Michael Callan are the elementary board members whose terms will expire

Deadline for filing for candidacy is April 18. Elections will be held May 18.

Grade School Students Lag In Reading, Citizen Poll Says

Are students of the Jefferson Elementary School district far below the norm in reading?

This question dominated discussion at the Wednesday night meeting of the board of trustees.

On the one hand, Colma school principal Bernard Gerdes showed evidence that only a small percentage of the seventh and eighth grade students were seriously behind in academic achievement for their age, but a citizen, Mrs. John Sorensen, 80 Garden Grove, presented statistics which showed that in all grade levels, a high percentage of children were reading books for lower grades

She gave as an example the third grade, where 374 children are still only reading text books for the second and first grade students. The same condition exists right up through the higher grades, according to Mrs. Sorensen.

"Not Feasible"

In a lengthly report to the board on academic achievement in the seventh and eighth grades, which was prompted by citizens' requests for remedial classes at a previous meeting, Gerdes concluded that, "Remedial classes are neither feasible nor practical."

"Identification generally must be made with each individual student's problem before a remedial program can be worth the energy expended," the principal said.

The size of the population, lack of teachers and the building situation also tend to stymie any plan for extensive remedial classes, he continued.

Gerdes said that in a recent test given all students at Colma school, 55 boys and 25 girls were below the reading norm out of a class of 368 seventh grade pupils. But of those deficient, only 16 boys, 11 girls, actually lacked the mental maturity to keep up with their fellow students. And out of this 27, he continued, 19 suffered from either emotional disturbances, failed to attend regularly, had physical health problems or had speech difficulties because of foreign

Urge Citizens Join School Committee On Education Aims

A committee to determine "What should the schools accomplish?" was established Wednesday night by the Jefferson Elementary School district board of trustees.

Named as co-chairmen of the citizens group were Mrs. Carl Berg, 101 Westridge avenue, and Mrs. John Sorensen, 80 Garden Grove drive.

The board urged interested citizens to contact either of these women.

Idea to establish the committee was that of Trustee Katherine Mullen, who said, "We should determine what the public wants and what they think the schools should accomplish."

Mrs. Berg may be reached at PL 5-1657, and Mrs. Sorensen at PL 5-3068

Joe Sarto Re-Enters County GOP Politics

Joseph Sarto, long-time member of the San Mateo county Republican central committee who withdrew from politics four years ago, announced today he would be a candidate for election to the central committee at the June 5 primaries.

Sarto, who operates the Villa Sanitarium in Daly City, served on the central committee for 16 years prior to his retirement from politics.

He said he was prompted to reenter the Republican scene because "I'm opposed to this business of pre-primary endorsements. It circumvents the direct primary," Sarto said. "A bunch of those newcomers have got in down there."

Sarto is well known for his sponsorship of youth athletic teams.

LIBRARY FRIENDS IN MASS MEET; SEEK MEMBERS

More than 40 civic leaders and representatives of organizations gathered at the community center Tuesday night as the newly-formed Friends of the Library adopted bylaws and discussed their program.

Mrs. Robert Woods, temporary president and chairman of the evening, announced that the group will elect permanent officers May 8.

The bylaws adopted provide for charter membership, and the 'Friends' seek 500 members by the charter deadline May 1.

Mrs. Foriest Cunningham, 188 East Vista, was named as the group's membership chairman, and she will have district workers under her.

Among those represented at Tuesday's session was the council—Joseph Verducci, Del Wilson and Edward J. Dennis—the Westlake and Broadmoor property owners associations, Beta Sigma Phi sorority, Catholic Women's club, H. Z. Weibel of the Jefferson Elementary School district, City Manager Howard Stites, and other civic leaders.

In conjunction with the Friends of the Library program and Library Week, the Daly City Chamber of Commerce yesterday devoted their meeting to a "Library Day."

Membership fee in the organization has been set at $1 for individuals, $5 for organizations and 50 cents for students, with the eventual aim of forming a Junior Friends of the Library group.

Stites, in a brief talk, said dues money would be used for printing notices, stationery and postage and that any balance would be used for projects directly benefiting the library.

Librarian Patricia Clark spoke on the facilities offered by the local library, and emphasized that it also serves Colma and Broadmoor.

LIBRARY BRANCH OPENING APRIL 16

Westlake library branch at 34 Park Plaza drive will open April 16, the Daly City library commission estimated at their meeting Wednesday night.

Both the branch and the main Daly City library will be available to residents of Broadmoor and unincorporated Colma, the commission emphasized.

LABOR COMMITTEE ENDORSES DENNIS

Ed Dennis, incumbant candidate for Daly City city councilman, was among the eight San Mateo county candidates endorsed by the AFL-CIO committee on political education at a meeting Monday night at the electricians' Hall in San Mateo, according to Bill Pedigo, secretary.

In all, 31 candidates were screened by the committee before the endorsements were made. A two-thirds vote of the committee is required for endorsement. Screenings were held Saturday night.

Two-Hour Parking Limit Set For Mission Area

Two-hour parking limit on Mission street near Jefferson High school was approved by the city council Monday night.

The limit will apply on the west side of Mission between Westlake avenue and School street, and the east side from Vista to Beta avenue and Eastlake to Price street.

Jefferson High school officials had notified the council that they had no objection to the two-hour parking limit.

Recall Election Looms As Checking Of Signatures Reveals Goal Near

PETITIONS asking for election to decide whether three city councilmen should be recalled were presented Monday to City Clerk. B. C. Ross by City Treasurer Paul Selmi. According to Selmi, the petitions each contained 1304 names, while only 1066 are needed to force the election. THE RECORD photo

At press time yesterday, an official count of signatures on the recall petitions was nearing completion and it appeared there would be sufficient names to force a special election.

Petitions asking for a special recall election against three city councilmen were filed with the city clerk Monday by Paul Selmi, leader of the Better Government for Daly City group.

The petitions, one each for Councilmen Del Wilson, Sanford Vickers and Micheal De Bernardi, contained 1304 signatures, according to Selmi. Under law, only 12 per cent of the registered voters, or 1066 signatures, are needed to force the election.

Validity of the signatures must be determined, after which the petitions will be turned over to the city council. City Clerk B. C. Ross took the petitions to Redwood City Tuesday for a check by the cial tabulation was expected to be completed yesterday.

Should there be less than 1066 valid signatures, the recall group will be given 15 more days in which to solicit names.

On receipt of the necessary signatures, the city council must set a special election in not less than 35 nor more than 60 days. The special election will cost between $3000 and $4000, according to city officials.

The Better Government group is asking recall of the three councilmen because of alleged "questionable bidding procedures, disregard of the people's wishes, and permitting violation of legally required fiscal procedures."

Wilson Raps Westlake Property Club As 'Cheap Political Group'

Charges of city council "negligence" were answered Monday night by Councilman Del Wilson with the counter-charge that the Westlake Improvement association was a "cheap political group."

Last week the association attacked the council for failing to take immediate steps to free portions of Westlake from the tax rolls of the Broadmoor Police Protection district, from which the Westlake residents receive no services. Some homeowners in Westlake pay as much as $15 a year in taxes to the special assessment district.

Attorney Hartley Appleton appeared for the association Monday night and told the council that "I have been unable to satisfy the board that this thing is proceeding in a proper manner."

Although he admitted that he had had cooperation from the city on the problem, he demanded to know, "Why has it taken so long?"

Jumps To Feet

It was then that Wilson, jumping to his feet, shouted angrily, "You and the Westlake association are nothing but a cheap political group."

Cops Discover Young 'Robin Hood' Gang In Operation Here

Present day "Robin Hood" gang of young schoolboys suspected of stealing at least 20 bicycles to repair and present as gifts to their friends, was uncovered by Daly City police this week

Ringleader of the group, an 11-year-old boy, was picked up by Officer Charles Terry Monday night after parents of another youngster complained that the 11-year-old had stolen their son's bike. Police said the ringleader has a long record of previous offenses.

Eight other youths have been apprehended so far, and a total of 10 bikes have been recovered, according to Officer John Walsh, who estimated that the gang has been operating since the first of the year.

Walsh stated that police are running into trouble trying to find owners of the bicycles because many of them have since been painted. He requested that stolen bike owners who know the serial numbers on the vehicles contact the department.

Juvenile authorities will probably take action on the offenders, he said.

Daly City Officials To Dedicate W'lake Park This Sunday

Mayor Joseph Verducci, recreation commissioner Edmund Cavagnaro and Henry Doelger, developer of Westlake, will conduct dedication ceremonies for the new Westlake Park, Alemany and Lake Merced boulevards, Sunday beginning at 1:30 p.m.

Preceding the ceremonies, from 12:30-1:30 p.m., the Daly City municipal band will present a concert program under the direction of George E. Brenner. The clubhouse will open for inspection also during this time.

Following the presentation of the colors and the national anthem and speeches by Verducci, Cavagnaro and Doelger, Doelger will present a plaque for the new clubhouse.

The Daly City recreation department has arranged a field day to follow the dedication ceremonies. Activities will include dashes, baseball throws for distance and accuracy, base running for time, sack races, potato races and a wheelbarrow relay.

There will also be a boxing program, a doll show and Boy Scout activities.

The recreation department extends an invitation to the community to attend Sunday's activities.

Two Rings Worth $600 Stolen From DC Woman

Two rings, together valued at $600, were reported missing Tuesday by Mrs. Marie Timas, 458 A Winchester street. Police said that the theft might have occurred anytime within the last few weeks as the victim had not checked her jewelry box for some time.

Officers said the first ring was a wedding band with 26 baguettes and the second a purple star sapphire ring.

B'MOOR WOMAN FOUND GUILTY ON ABORTION COUNTS

After less than an hour's deliberation Wednesday afternoon, a jury of five men and five women found Mrs. Alta Anderson guilty on two counts of performing abortions at her Broadmoor home.

Jury's verdict came after testimony by Mrs. Mae Rodley, the convicted woman's daughter, who stated that she had assisted her mother in two illegal operations at Mrs. Anderson's residence, 590 Washington street.

Judge Murray Draper ordered Mrs. Anderson to appear for sentencing April 4 but allowed her to remain free on $20,000 cash bail. Mrs. Anderson, who has two prior abortion convictions, faces a minimum five-year prison sentence on each count.

Incriminating statements by Mrs. Rodley, 38, of 453 B street, Colma came after Judge Draper ordered her to testify under a section of the penal code which provides automatic immunity to any crime on which the witness testifies. Petition that Mrs. Rodley be protected under the section was presented Tuesday by Deputy District Attorney Howard Hartley who termed the daughter a "pawn and not a principal in these acts."

Nurse's Duties

Under questioning by Hartley Wednesday morning, Mrs. Rodley admitted to performing nurse's duties during abortions performed at Mrs. Anderson's home on October 25 and July 16. Mrs. Rodley said that she was paid $150 by her mother on each occasion.

After the daughter told the jury that she was present on October 16 at Mrs. Anderson's home, Hartley quizzed, "Did anything unusual occur?

The stony-faced Mrs. Rodley countered "What do you mean by unusual?"

Beginning again, Hartley asked if an operation had taken place. Following Mrs. Rodley's positive reply and explanation that the surgery was a currettage (abortion), Hartley produced a curette, type of instrument said by the witness to have been employed.

GROUP SEEKS TO BEAT INCUMBENTS WITH ROSS, BECKER

A political coup to unseat incumbent Councilmen Joseph Verducci and Edward J. Dennis by putting a "team" against them on the ballot was only half-successful this week.

Meeting at the home of Harry Ross, 19 Weston drive, Ross and three other council aspirants held a strategy meeting.

According to Ross, who is now the running mate of Peter Becker Jr., none of the candidates were specifically asked to drop out of the race, but it was suggested that any two of them withdraw in order to give the other two a better chance against Verducci and Dennis.

Originally it had been rumored that Sam Grado and Joseph Lewkowitz had been asked to drop out and throw their weight behind Ross and Becker. Ross denied this, saying that, "We just wanted to take any two candidates out of the race so the other two would have more strength. I was even willing to drop out myself or draw straws. But the other candidates felt they had more strength and did not want to pull out."

The fifth council hopeful, Paul Hupf, Westlake attorney, was not present at the meeting.

Effective this week, Ross, an auctioneer, and Becker, an electrician, are running as a team against the incumbents.

Meanwhile, Lewkowitz, Grado and Hupf are still campaigning as independents.

LETTERS TO EDITOR

Rec Superintendent Writes Thanks To Cooperative Groups

To the Editor:

I would like to take this opportunity to thank the many people in Daly City who have helped in any way to sponsor the various Recreation projects we have had in the past three years It has been my experience, to have worked with various organizations and groups which have shown a willingness and determination above self, to give the children of Daly City activities to partake in during their leisure hours.

The Recreation Staff I consider to be one of the best in the County, and they are certainly dedicated people.

The Recreation Commission, who are citizens of Daly City volunteering their time to formulate policy in terms of Recreation, have been a wonderful group to work with. They have shown, by working many long hours, their sincerity towards the Community.

It has been a genuine pleasure for me to have worked with such a fine board.

The Schools have been more than cooperative with the Recreation Department, in the use of their facilities and aiding in any way possible in the various leisure time projects.

The children of Daly City have been very receptive towards Recreation, and it has been a pleasure to plan programs for these future Leaders in Daly City.

The Daly City Record and its staff have always made Recreation news top priority, and by so doing have expedited the dissemination of Recreation news to the general public.

The inner-departmental cooperation the Recreation Department has received during my tenure of office has gone a long way towards making Recreation possible.

I would again like to thank all these people and the many others who have given their time and energy for the Recreation movement in Daly City.

Sincerely yours,
James R. Mason

ORGANIZE SCOUT TROOP MONDAY AT GRACE CHURCH MEET

Fathers and boys in this area are invited to attend a special meeting Monday night at Grace Presbyterian church to plan formation of a new Boy Scout troop.

The meeting will begin at 7:30, at the church, 515 Winchester street, corner of Crocker avenue.

All boys interested in Scouting are urged to attend and bring their fathers. The troop membership will not be restricted to those belonging to the Grace church, according to the Rev. Thomas Wheelpley, minister.

After the troop has been organized, plans are in the offing for formation of a Cub Scout pack.

In a split vote, the board approved motion by Appleton to investigate cost of conducting a survey on the reading ability of the district's children. Kraus voted against the measure.

"Double Sessions"

A committee on double session from James L. Snell appeared before the board but did not present a petition as anticipated, because all of them had not been collected.

Larry Freiberg, chairman of the double sessions group, appeared with the request that the board conduct its April 11 meeting in conjunction with the Snell PTA session.

Freiberg also asked that a representative of Henry Doelger, Builder, Inc., be invited to talk on the "Oddstad-type" school for the Jefferson district.

Trustees said they would rule on his request at the March 28 meeting.

Ross Comments

Commenting on Wilson's final statement, City Clerk B. C. Ross said, "He commented it is preferable to make the transfer from the organization and extension fund. Then this problem will come up again."

City Manager Howard Stites replied, "That's been taken care of. The auditor and city controller have agreed to pay for all future improvements from the extension funds."

Frank Blum, city attorney, related that, "I've already said it was legal right along. The only thing is, the warrant has been mutilated. We'll have to cancel the warrant and issue a new one."

Selmi had refused to honor the warrant making the transfer, and declared it cancelled.

Tormey had requested that the board give "major consideration" to appointing a trustee from northern San Mateo county, because of this inequity.

In addition to his present positions, Kendree is past president of the Daly City Rotary club.

St. Patrick DC Dinner Set For Saturday Night

All is in readiness for the joint observance of St. Patrick's Day and the 45th anniversary of the incorporation of Daly City, according to Lou Thiebaut, general chairman of the dinner dance to be held Saturday in Our Lady of Perpetual Help school auditorium.

Bill Carrington, dinner chairman, will have over a ton of corn beef and cabbage on hand ready to serve starting at 5 p.m.

Through the courtesy of Paul Hupf, shamrocks flown direct from Shannon Airport, Eire, will be distributed to the guests.

On display for the first time in Daly City in the show window of Behrend's Jewelry store, Mission and Wellington avenue, is a piece of the Blarney stone from Blarney castle, County Cork, Eire. This fragment of the original stone was secured by Jim Cummins, president of the Market street Van and Storage company, and past president of the United Irish Societies, from the owner of the castle, the late Sir George Colthurst who was a great uncle of John E. Colthurst now a resident of Daly City.

The particle was the center of attraction a few years ago during a St. Patrick Day celebration in San Francisco. Its mysterious disappearance created a short lived sensation as it was just as mysteriously returned before the festivities ended. Since that time it has reposed in the safe of the van and storage company.

Arrangement committee headed by John Muller and Richard Liberty report a large advance sale of tickets for the affair. The public is invited, and tickets may be secured at McGraws Pharmacy or at the door Saturday. The price of $1.25 for adults and 60 cents for youngsters includes the dinner, dancing and entertainment.

Instrument Used?

"Was this the instrument used?" Hartley asked.

"It was one like it," was the answer. Later Mrs. Rodley testified that her mother had had five or six curettes in her possession. She also claimed that her mother failed to use rubber gloves during the operations.

Following similar questioning by Hartley on the alleged second incident, also involving a San Francisco housewife, Attorney Conrad Reisch began cross examination. Reisch's questions delved primarily on alleged medication given Mrs. Rodley by her mother after the birth of Mrs. Rodley's youngest child on October 9, 1955.

Neither one of the women principals showed any emotion during the day's proceedings.

'DADDY' FORGETS; CHARGE WOMAN WITH BUM CHECKS

A 47-year-old Marin county woman with a dozen aliases and a lengthy record of prior arrests is scheduled to make plea in municipal court next Thursday on a charge of passing two bum checks here on March 2. Police said that the woman made excuse for the two checks by say, "My 'daddy' was supposed to deposit some money and didn't."

Being held in the county jail is Jain Temple Storm, 47, Box 386, Woodacre. She was unable to post bail of $250-$500.

Miss Storm was apprehended in a citizens' arrest at a local motel Wednesday. Complainants were Mrs. Leona Lombardi, who charges that the woman passed a check for $47.79 at the Mode O'Day shop, and Sydney Rosen who claims a loss of $21.27 at Karl's Shoe store. Miss Storm is alleged to have purchased clothing and shoes with the checks.

According to police, Miss Storm was wearing the shoes at the time of the arrest but changed to an older pair before going voluntarily to the police station for booking.

Her record of arrests, according to police includes grand theft, burglary and kidnaping in Los Angeles, adultery in Burlingame, drunk in San Diego and Long Beach, assault with a deadly weapon in San Rafael, vagrancy in San Bernardino and vagrancy in San Francisco.

Officers said they still have not received reports on all the various aliases.

Planners Hold Over Two Applications

Two items on Tuesday's planning commission agenda were held over until the April 11 meeting because the applicants did not appear.

Items continued to the next meeting were: Petition for rezoning Lots 12, 13 and 14, Block 20, Union Park, from R-1 to C-1, sought by William and Ricco Lagomarsino; and request from John Incrocci, Associated Poultry Co., for use permit for a poultry processing market at 7096 Mission street

First commission approval of a use permit for installation of a neon sign was granted to Wonderlite Neon Products Co. to erect a sign at 1901 Junipero Serra boulevard. Previously, permits for neon signs did not come before the commission.

Also proved by the planners was request from C Carraro & Sons to move dwelling from 1 Canyon drive, San Francisco, to Lot 42, Goethe street.

The commission reviewed plans for Westmoor High school, which they had not seen prior to Tuesday.

Rambunctious Youth Creates Havoc For DC Police Department

Arrest of a rambunctious San Francisco youth Friday night resulted in shattered glass at the local police station and bruises on two officers.

The boy's adventures began when he allegedly caused a disturbance at a local restaurant, the proprietor of which called police. When Officers John Coleman and Richard Brooks arrived they said they found Gary L. Gahill, 19, of the Chase hotel in San Francisco, standing in the doorway of the establishment.

On two occasions Cahill attempted to jump from the patrol car, but the officers, after brief struggles, managed to finally gain control.

On arrival at the station, the youth again began causing trouble. A companion, in an attempt to restrain him, was knocked off balance and his foot crashed through the door's glass pane, police said.

Cahill pleaded guilty to the drunk count Monday in municipal court and was sentenced to three days in the county jail by Judge Thomas L. Bocci.

New Skyline Stretch Opened March 15

The new 2.3-mile stretch of Skyline boulevard, paid for jointly by the state and the city of San Francisco, was opened this Thursday shortly before noon, after the peak of morning traffic.

The completed job provides motorists with a four-lane divided expressway, with two lanes on each side of the center strip. Left duckin lanes are provided at the old Fort Funston and the Olympic Club turns.

Motorists, especially from the south, are cautioned by B. W. Hooker, assistant state highway engineer, to be alert for new traffic signals at two intersections.

DENY BEER LICENSE FOR SPUDNUT SHOP

Request for a beer license at the Spudnut Shop, 6841 Mission street, was denied by the city council Monday night.

Applicants were Jan and May Krux of Sharp Park.

The council acted on recommendation of Police Chief Roland Petrocchi, who pointed out that the restaurant was only a few blocks from Jefferson High school, and the selling of beer might create a "police problem."

GREATER THINGS FOR DALY CITY

Daly City's stature among Bay Area cities will receive a significant boost next week with the opening of 12 major stores in the Westlake Shopping Center.

The fact that these big business firms had sufficient faith in Daly City's potentialities is more than optimistic. It is evidence that Daly City "has arrived" from a mercantile standpoint and will continue to attract national concerns.

Combined worth of the new stores which will open next week is $5,000,000. This means that $5,000,000 has already been circulated into the economy of Daly City, directly or indirectly.

But this amount will be small by comparison with the stimulus the new businesses will give Daly City's future in new jobs, new stature and new cash.

And the shopping center will add another important asset to the community—convenience for the shopper.

Money that was formerly spent in downtown San Francisco will find its way into Daly City's economy. Salaries paid by these new stores might conceivably never leave the community, as the employees can do their complete buying in Daly City.

And these new businesses will add thousands of dollars to the city assessment rolls, which means that the percentage of the tax burden borne by the private home owners will be lightened.

Next week's grand opening of a dozen major stores will be a banner event which augurs greater things for Daly City.

City Candidates Tell Platforms

Edward J. Dennis

Being a Daly City civic worker for the past 12 years, with eight of these as city councilman, is ample proof that Edward J Dennis has been instrumental in helping make Daly City the fine community it is today.

Over 200 civic-minded citizens now have officially endorsed councilman Dennis, indicating confidence in his progressive civic leadership.

"With this inspiration from so many worthy people, I am confident that the voters will return me to office April 10," Dennis said. "I can sincerely say that I have proven my ability in government."

Dennis, 46 years old, is the veteran member of the council and has the distinction of a record attendance at 385 combined city council and study sessions. He has given up each Monday night for the past eight years to work unselfishly for the betterment and welfare of Daly City and its citizens and to make it a better place in which to live, work and play.

Because of his outstanding record, the list of his endorsers is growing daily.

Dennis concluded that, "During the next four years there should be no valid reason for any municipal bond issues or tax rate increases. By continuing with our 'pay-as-you-go' budget policy, services will be held at the maximum, while citizens will also benefit in low taxes."

Joe Lewkowitz

In the 17 years Joe Lewkowitz has lived in Daly City, he has given generously of his time, money and talent for any cause that was in the interest of his fellow man. One of the prime essentials for any public servant is his interest and willing devotion to give of himself for the interest of the community.

Those who know Joe realize it would require a manuscript to give proper recognition for his sacrifices. "He is happiest when working for the interest of others as evident from a list of organizations he is associated with," says John B. Drye.

He is a successful proprietor of a super service station here in Daly City, member of the Daly City Chamber of Commerce, Daly City Lions club, Eagles No. 1848 Aerie, trustee Jefferson School district, Our Lady of Perpetual Help School Fathers club, Red Cross disaster committee, former district Scout commissioner, charter member Bay Area Educational TV association, charter member of California Gasoline Retailers and past president, former civil defense police, member of fund raising campaigns. such as: Polio Foundation, Community Chest, United Crusade, Red Cross, Boy Scouts, School Bonds. Municipal Bonds, holds honorable withdrawals from A.F.L. Electricians No. 6, Teamsters Retail Drivers No. 278 and present member of A.F.L. Musicians Union Local No. 6.

He is married and father of seven children raised in Daly City school system.

PAUL HUPF

"I am not in any identified with or committed to any candidate, incumbent or otherwise in the race for councilman."

This statement by Paul Hupf was reported today so as to answer several inquiries which he has received and also to quash certain rumors which have been circulating and which are without foundation.

"In order that the question may be put at rest," Paul Hupf continued," I have departed this week from my plan of presenting a new facet of my platform.

"At the outset of my campaign, I had determined to present it purely on the basis of what I had to offer to the voters of Daly City. I believe that a candidate must present a positive approach and a definite plan of what he hopes to do in order to justify the confidence of the electorate. In doing so I had thought that I was making myself clear that in my opinion the incumbent councilmen had not done an adequate and efficient job, that they were content to allow the city to drift along without energetically striving to adjust for the present growth and to plan for the future. I cite as a prime example of indifference the fact that a portion of Daly City now pays taxes to a Broadmoor police district without receiving anything in return for their money. The affected homeowners must now go to considerable time and expense to adjust a condition which could have been simply avoided at the outset by attention to duty on the part of the council.

"I shall be glad to answer any questions any voter may have, to appear at any public meeting, for the purpose of subjecting myself to scrutiny and to test my sincerity."

JANE KEITH

If you, the voters, elect me as your City Treasurer on April 10—I pledge myself to do a full day's work at that job every day. There will be deputy to do your fiscal K. P. and the day in, day out work of City Treasurer.

Mr. Selmi, the incumbent and owner of a real estate and insurance business, must make that same pledge if he is to serve you as an honest and sincere elected official of the City. If he will not make that pledge, you voters had better start checking the qualifications of Mr. Selmi's secretary and substitute her name for his on the April 10 ballots!

The present Treasurer of Daly City seems to see the job not as a sacred trust, but as a weapon to bust the enemies of his so-called "fact presenting—recall and better government group.

To date, his energies seem devoted only to getting rid of all present members of our City Council. And, if his accusations of them come from the same mess of pre-digested political pottage now being served up by his "Spotlight Revue" and political stooges in the Council race, you voters should be feeling pretty nauseated by April 10.

Again, I pledge to give my full time to the job of City Treasurer if elected. Make the choice yours on April 10.

There were 114,762 motor vehicles registered in the Philippine Republic in 1955.

PETER BECKER, JR.

Last week, I informed you that I wanted to verify my facts from the official records at the City Hall before I presented them to you. I have noticed that Mr. Ross, who is also a candidate for City Councilman, has published the record of the extreme raise in the tax situation during the last four years.

Since my platform is also to re-establish business principles in the conduct of our city government, I should like to elaborate on the million dollar budget of expenditures that the incumbent city councilmen boast about putting into effect.

Just four years ago (previous to the present city council) the entire budget totalled $573,721.00, including approximately $1400 per month for recreation.

This year, the present city council budget totals $1,109,449, including approximately $8600 per month for parks and recreation. In other words, out of a tax rate of $1.43 per hundred dollars of assessed valuation, 42c or 29% of your taxes goes into the recreation and park fund.

With incomplete parks, incomplete Memorial Building, etc., can they substantiate dollar for dollar value to the taxpayers?

On March 6, 1952, Mr. Verducci pledged if elected, "to devote all my experience in this field (recreation) toward accomplishing the very best program possible in all portions of the city at the lowest cost."

Do us both a favor; check the facts that I have presented. You as voters, are the judge and jury. I have full faith in your verdict.

Harry Ross

In my previous statements I gave you the cold facts of our inefficient and unbusinesslike City Council.

Quoting the official record, I stated that the cost of government by taxation has risen from $208,991.81 in 1951 to $387,782.02 as of last year. Can we be proud of this record?

I also stated that $72,000 extra from parking meter revenue went into the General Fund instead of toward purchase of off-street parking. Can we be proud of this record?

I also stated that our free garbage collection service was discontinued and each homeowner now pays an additional $7.80 per year. Can we be proud of this record?

I also stated that by discontinuing the 25c monthly water bill discount each homeowner now pays an additional $3.00 per year. Can we be proud of this record?

I also stated that our assessed valuation on real estate was raised 15% to gain more tax money for the General Fund. Can we be proud of this record?

What kind of a campaign is this? Where are the incumbents' usual denials? I say on the record there can be none.

Unless Mr. Dennis and Mr. Verducci can answer in the negative by quoting from the official records, then we must continue to consider my statements are factually correct.

My purpose is to prove that my above statements are factually correct ,and my platform is the restoration of sound, basic business principles in the administration of your tax dollars.

Joseph J. Verducci

"Sound business methods are just as important in a city as in any private corporation. More so, in fact, because every dollar spent affects not just a few stockholders but some 28,000 citizens."

These were the words of Mayor Joseph Verducci, who seeks re-election to the council on the basis of his program of continued improvements.

"Keep Daly City In Business" is his campaign slogan, and he went on to point out how good business methods have paid dividends to the taxpayers.

Since Verducci took office, a tight budgetary control system has been adopted. This means that instead of the city running into the red every year, spending is kept within a budget.

Under budgetary control, each city department head may determine with a dollar how much money he has remaining. Overspending in particular departments in the past has cost taxpayers money and has forced curtailment of programs elsewhere to make up the deficits. This is no longer true.

Verducci also pointed to the fact that an accounting department and position of buyer have been created. "The former was realized with hiring of only one new employee," Verducci said. "Already it has brought the city many new forms of revenue, resulted in revenue increases for other services and has given us efficiency in payroll preparation and payment of accounts.

"Our tight control over spending," the mayor continued, "has been beneficial to all Daly City citizens in services and costs.

"Today's budgetary and accounting procedures in Daly City," Verducci concluded, "Rank among the most efficient in the Bay Area. I will continue to pursue policies which put the operation of Daly City on a business-like basis."

Two Local CSM Pupils Attend Town Meeting On Juvenile Delinquency

Yvonne Latreille, 623 87th street, Daly City, and Janice Toole, 295 Washington street, Colma, are two of six College of San Mateo students who attended the town meeting and workshop on juvenile delinquency at the Burlingame Intermediate school recently. They represented the CSM Associated Students.

The meeting was called by Governor Goodwin J. Knight and was sponsored by the San Mateo County Probation Department.

Village Notes

By Gwin Mitchell

PL 5-0679

As a windup to all the 1005 duties they have carried through so far this year for the James L. Snell PTA, Esther Milam took Vi Murphy, Calire Vocke, Florence Ecker and Edythe Fanfelle to lunch at the Red Chimney recently. A nice gesture, and a welcome time out for everybody! . . . . Lunches seem to be popular, for Vi Zaitz, Helen Gurewitz, Kay Mattson and Alice Travinsky also gathered at the RC to celebrate Vi's birthday That being away from household problems smack in the middle of the day does give one a luxurious feeling, at that!

Miss Michele Marie Green (Manila), turned one year old, but couldn't do too much celebrating. That ever-present problem of the current cold and flu crop again, which seems to be rearing its ugly snuffly head in almost all Village family circles. We herewith extend most heartfelt sympathy to everyone who has or had it, having had a bout ourselves. In fact, if Meredith Orloff had not come to the rescue and done some phoning for us when we lost our voice, this would have been a sad effort indeed. Thanks, Meredith!

The spring restlessness has hit some of our Villagers, who are leaving for other areas. The Herbert Leafs are now in Marin instead of on Manila, and word has it that the Zaitz family is leaving Midway. Thelma and Merritt Beckerman, plus girls, plan to depart come summer. They will be San Franciscans, living in a big old house in Ingleside. Thelma does not know which she likes best —all the many spacious rooms or the concrete back yard!

Belated but sincere birthday wishes to Edith Warmoth and Jim Mackintosh, who are sister and brother, and whose birthdays are on March 1 and February 29, respectively. Like most of our parent-size Villagers, they don't count years! Dolores Helmer has best wishes coming too; her day was February 28.

Delayed Visit

Betty Ghiotti and son Gary finally made it to Aptos, for a three day visit with friends, after measles and rainy weather had delayed the expedition for a week or so. Betty came happily home to Sweetwood with some new plants for her African violet collection, which were admired by her father, Mr. Becker, when he paid a short visit to the Ghiottis.

Speaking of Betty, she has joined the ranks of Village working girls, and is now working at the California Golf club. When the new stores in Westlake open, we know you'll meet Agnes Rizzarto and Roberta Taylor busy at Penney's, and no doubt there will be others joining them over yonder.

Midway seems to be the place for anniversaries lately. Kay and Carlos Mattson were honored on theirs with a party at Treasure Island, with Alice and John Travinsky as hosts, and Vi and Harvey Zaitz along for the fun. . . . Then Herb and Hilda Stettler marked off no. 10 with dinner and "Cinerama Holiday," the gift treats of Herb's parents, the Al Stettlers.

Hilda has been busy lately. Not only her anniversary, but a copper party and a lunch too. Laverne Muncey, Dot Manis, Roberta Taylor, Irene Butler, Jean Bordegaray, Vi Murphy and Meredith Orloff were the party guests. The lunch was with Hilda's sister, Lydia Balliger, who came down to SF for the day from Santa Rosa. Hilda just dropped everything and took off for a quiet talk with her sister at—the Red Chimney! They ought to have a Broadmoor Room up there.

New Jersey Trip

Peggy and Johnny Garcia, and Peggy's father, Philip Carpenter, are all back home on 87th street after a week's visit back in New Jersey. They flew back to see all the family which Mr. Carpenter had not seen for some 45 years, and whom the Garcias were meeting for the first time. While there, they went into New York City and climbed to the top of the Statue of Liberty, visited a TV show, and did a lot more sightseeing for good measure. They were lucky — it only snowed once, and not much at that.

While we're on the subject of snow, Manila's John and Lorena Williams took Janice, Lee and Jeffrey up to Lake Tahoe for a weekend in the same. Lorena said the children loved it, particularly

At a recent ceremony at Holy Angels church Diane Marie Davis was christened. Her Godparents were her aunt Mrs. Eleanor Davis and her uncle Grant Elms. A buffet dinner was served at the Davis home after the ceremony. Hear that congratulations are in order for Mom and Dad (Alice and Stanley) as they recently celebrated their second anniversary.

Den 6 welcomed Wayne Snow into their group at a recent meeting, which brings the total to eight cubs under the guidance of Den Mother Mrs. Josephine Joseph on Thiers.

Ted and Lydia Kirschner of B street, Colma, welcomed their second daughter on March 5th. Julie Ann put in her appearance at the Kasier Hospital tipping the scales at 3 lbs., 3 ozs. However, the folks and sister Susan will have to wait for awhile, before they can all get better acquainted with the new addition. Home for this little bundle of joy or "Miss America" (Dad's knickname for Julie) will be an incubator for at least a couple of months.

The gold gavel pin presented to President Don Lesher at the Hillside Improvement club installation was specially designed by one of the members, Mr. Sam Barrango of Castle street.

Ten guests arrived at the Buchanan home on Atlanta last Saturday to help Sherry Ann blow out the four candles on her birthday cake.

Another happy birthday wish goes to Mrs. Elsie Prisco on Brunswick who celebrates a birthday today.

Besides being a shut in with rheumatic fever, Bobby Percelli of Peoria street has been having a bad time with the flu bug. Meantime he wants to thank Mr. Bell and his classmates for their wonderful cards and letters.

Paul Padgett on Abbot is slowly improving after recently suffering first and second degree burns. The accident happened when Paul collided with a boiling hot cup of coffee. Hear that he just celebrated his eighth birthday is quite anxious to become a cub scout.

For their last meeting of the term, an enchilada luncheon was enjoyed by the members of the sewing and sunshine group of the Colma PTA. The following Mesdames attended: M. Nofziger, E. Dennis, R. Gustavino, A. Mohood, J. Piccardo, G. Marchetti, J. Doyle, A. Castle and D. Lesher. Hostesses were Mrs. George Bertucci and Mrs. John Bricker.

Hi to you, Mrs. Dassy Wong, down at the San Mateo hospital. We're all hoping that your stay there will be a short one.

Hostess for a recent luncheon was Mrs. Angie Mahood of W. Moltke. The get together was enjoyed by the following ladies: Rose Gustavino, Lee Lesher, Connie Nofziger, Sherry Marchetti, Jackie Castle. Ruth Apar, L. Richards, Yolanda Picarrdo, Ilene Payne, Deva Sampino, Theresa Sampino, Teresine Mibelli, Susie Pedemonte, Lillian Franzoia and yours truly.

Belated birthday wishes to Mrs. Elva Santos on Willits, who recently celebrated a birthday. A family dinner party helped this gal to really fete the day. Meantime Elva is back to being a working girl and enjoying every minute of it.

Latest teenager to host a "bop party" was IRVIN WONG on Abbot. About forty friends arrived to enjoy a wonderful evening.

Former residents of E. Moltke, Bill and Beatrice Virga, announce the arrival of their first child on March 7. William Jr. is the name of the new addition, who arrived at St. Lukes' hospital and tipped the scales at 9 lbs., 6 ozs. Congratulations, Mom and Dad.

Seems as though we owe the Micheal Virgas more congratulations. Their fifth grandchild decided to put in his appearance at this time. Let's not spoil the new babies (too much) folks.

There is a surplus of Girl Scout nuts. If there is anyone who is interested in purchasing more, please contact me at PL 5-5419.

Happy St. Patricks' Day to one and all.

the toboggan rides, since it was the first time they'd seen it. The weather was perfect—even hot, there was so much sun—and the Lake was beautiful. Altogether a very hapy introduction to winter weekending.

One place you wouldn't expect to find snow is in Riverside, but Florence Bell said it did just that. She accompanied Rex down on business for a week, and they stayed at the Mission Inn. Unfortunately ,we hear, that picturesque block of varied and surprising architecture is losing its charm in a rundown way, which is too bad. It was such a special place for so long. When the Bells returned home to Garden Lane, they had a wonderful two week visit from Florence's sister-in-law Mrs. Charles Boise, who is in the US visiting relatives. Mrs. Boise is from London, England, and during the war, was a temporary Palo Altan, so she has many friends to see. In addition, her three children are all married and living in the States. Luckily, Mrs. Boise left England just ahead of that seige of bitter winter weather, for which her family is most glad, and she will be returning to an English spring, which we have always heard spoken of as something very beautiful.

Library Talk

With all the library talk going around—and an important subject to talk about, too—we found out that people have been missing something which could be valuable to them. This something is the Colma branch of the county library, located in the Colma Community Center on Dunk street — the same building that houses the Village Play school. We had a call from Mrs. Julia Jaymot, the librarian, who told us she was amazed that there were so many people who did not even know there was a library there, and asked us to tell them. The hours are 2 to 5 p.m. on Monday, Tuesday and Friday, and it is also open Monday nights from 7 to 9 p.m. Though it is a small library, Mrs. Jaymont says all the latest books are available, and they have a fine selection for children. On previous summers, they have also had a children's reading program Our Villages will be well supplied with libraries, what with the Colma branch and the Westlake branch both.

There are a couple of young men with birthdays around town this week—Russell Green on Manila, and Steve Mackintosh on Washington. Russ turned 9, and invited Robbie Fernekes, Robbie Warner, Chris Womack, Ricky Fitzgerald, Christine Tierney and sister Meredith to share his gifts, games and refreshments. Steve was 8, and it was a big day for him, because he could be a Cub Scout—finaily! Since his mother became a Den Mother in January, the waiting was extra hard with all the Den activities going on right in his own home. John LePine, Jerry Krawetz, Kevin Terry, Martin Warmoth, Patty Warmoth, John Davy and sister Janice Mackintosh were the guests who came to admire Steve in his brand new Cub uniform.

There are two proud and happy grandpagents on Garden Lane—Stephanie and Frank Malcewicz. They now have a granddaughter, Jerilynn Ann Loberg, who is one of the newer Palo Alto residents. Stephanie went down to play chief nurse for her 7½ lb. Majesty for a while, together with enjoying a visit with grandson Jon.

Something new has been added—the Broadmoorettes' Helga Giesecke, Jean Box, Hilda Stettler and Diana Massucco are the charter members who, since they all play the accordion, have joined together as a musical group, and last week they performed at the Swedish Ladies Society program, no less! Everybody is enthusiastic about this project and well they might be, since talent and enjoyment, which might otherwise be buried under an avalanche of housework, is being made the most of. Helga said that if there are any more accordion-playing wives and mothers in Broadmoor, they are more than welcome to join the group. How about that?

Although we are both contenders for positions on the City Council as independent candidates, one representing Business and the other Labor, we have found that our determination of civic principles and theory are identical. Therefore, we feel that it is proper to merge our forces in a united campaign and present our combined labor-management statement of policy so that you may have the opportunity to evaluate our purposes and analyze the platforms of our opposition previous to the election.

We pledge our undivided efforts to the restoration of sound, basic business practices in the administration of our city affairs and to the fulfillment of the following objectives:

(1.) REPLACE MR. HOWARD STITES AS CITY MANAGER AND DISMISS THE NUMEROUS, UNNECESSARY PERSONNEL HE HAS APPOINTED; APPROVED BY OUR PRESENT CITY COUNCIL.

(2.) PROTECTION OF WORK FOR OUR PERMANENT CITY EMPLOYEES AND THEIR FAMILIES BY RESTORING SECURITY IN OUR CIVIL SERVICE ORDINANCE; DISCREDITED BY OUR PRESENT CITY COUNCIL.

(3.) RE-ESTABLISH THE POLICE COMMISSION, FIRE COMMISSION AND PARKING AUTHORITY; DISMISSED BY OUR PRESENT CITY COUNCIL.

(4.) RESTORE THE 25c MONTHLY DISCOUNT UPON PAYMENT OF CURRENT WATER BILLS; DISCONTINUED BY OUR PRESENT CITY COUNCIL.

(5.) RESTORATION BY ORDINANCE TO MAKE IT MANDATORY THAT ALL PARKING METER MONIES COLLECTED ARE TO BE PLACED IN A SEPARATE FUND TO BE EXPENDED ONLY FOR OFF-STREET PARKING FACILITIES; REJECTED BY OUR PRESENT CITY COUNCIL.

(6.) PROPER ANALYZATION OF THE 1955 CHAMBER OF COMMERCE SURVEYS ON AVAILABLE INDUSTRIAL-COMMERCIAL AND OFF-STREET PARKING AREAS IN DALY CITY; SHUNNED BY OUR PRESENT CITY COUNCIL.

(7.) APPOINT A REPRESENTATIVE BOARD OF FREEHOLDERS TO STUDY AND RECOMMEND OVER-ALL POLICY OF MUNICIPAL FUNCTIONS; AVOIDED BY OUR PRESENT CITY COUNCIL.

(8.) APPOINT A REPRESENTATIVE CITIZENS' COMMITTEE TO COORDINATE PLANNING ON CIVIC AND SCHOOL EXPANSION PROGRAMS; BY-PASSED BY OUR PRESENT CITY COUNCIL.

(9.) APPOINT A DISASTER PREPAREDNESS COMMITTEE TO RESTORE AND COORDINATE ALL THE NECESSARY PROTECTIVE UNITS TO INSURE THE SAFETY OF ALL RESIDENTS IN CASE OF EMERGENCY; NEGLECTED BY OUR PRESENT CITY COUNCIL.

We sincerely hope that this statement of policy makes as much common sense to you as it does to us and the voters who have endorsed our candidacy. We humbly request the assistance and support of all civic-minded voters and organizations who believe that the fulfillment of the above outlined objectives are of the utmost importance to the efficient administration and progressive development of Daly City.

B'moor Appoints Civil Defense Group

The Broadmoor property owners association appointed a committee of three of its directors to meet with civil defense officials and determine the course of action that Broadmoor will take at the association's monthly meeting Thursday night.

The committee members are chairman Bob Buchanan, Howard Richardson and Vincent Cauchi. After they investigate the situation, a special property owners' civil defense meeting may be called.

Representatives of Broadmoor organizations met March 6 at the police station in an effort to help form an active civilian defense organization for the area.

At that time, Harry Koch, San Mateo county CD director, spoke on "How to Organize Civil Defense."

According to Broadmoor police chief Ray Savage, the police are trying to get residents of Broadmoor interested in civil defense, since traffic and law enforcement problems would require all available police officers in time of disaster.

Attending the March 6 meeting were Koch Savage; Al Bolander, Al Nickes and Ralph Koppola of the Broadmoor police reserve; Harry Brown and Ross Hilton from the police commission; Bob Buchanan of the Broadmoor property owners' association; Mrs. K. O. Cheskey and Birdine Heick from the American Legion auxiliary; Herbert Stettler representing the Boy Scouts; Glenn South of Jefferson high school; Dr. Drees from Junipero Serra hospital; and H. Z. Weibel and David Shapiro from the Jefferson elementary school district.

In addition to appointing a civil defense committee, the property owners also:

1. Set up an annual spring clean-up week, April 15-21. The association will arrange to have all the excess junk in the area picked up during the week of April 23-27.
2. Approved the new "Friends" library set up in Westlake.
3. Appointed Roy Kreuger to participate in the county park recreation set-up, a committee of San Mateo county resident attempting to establish more park.
4. Announced that a recreation program similar to those in the past will be provided again this summer.

WYANDOTTE HOMES LOOTED BY BURGLAR

Burglars escaped with only $16.50 in cash after looting two homes on Wyandotte avenue Sunday. In both instances the culprits took money hidden in envelopes, leaving more valuable articles.

First victim was Frances Tafoya, 939 Wyandotte avenue, who told police she was at the zoo when the theft occurred. A total of $13 was taken from an envelope hidden in a bureau drawer. Officers said entry was made through an unlocked garage door.

"Keep Daly City In Business"

An Informed Public . . . . . The Key To Intelligent Government

Drastic changes have been made in budgeting and accounting. But the changes were for the better. This is indisputable, and a comparison of the city's financial structure today as compared with years before will bear this out. Presented here is a synopsis of the fiscal changes which the city has undergone. I leave it up to the citizens to decide if these changes are beneficial.

Part IV - Budget-Accounting

BEFORE Consistently departments over-spent their budgets because the department heads had no idea how much money they had left. This meant deficit spending and curtailment of important programs to make up deficits in over-spent departments. Mayor Verducci was instrumental in working for a system of tight budgetary control.

AFTER The budgetary control system has been put into action. On any given day a department head can find out to within a dollar how much money he has remaining. As a result, a budget means what it says—a specific amount of money is allocated for the year and that much is spent. Buying has been centralized at an appreciable savings in money and an increase in quality of merchandise.

FUTURE Changes instituted as recently as a year ago are beginning to pay off in dividends today. As the system develops, further methods of economizing, new forms of revenue, will be realized. The city will be able to complete its 1956-57 budget with a realistic idea of each department's needs, because it has a complete day-by-day record of what costs are to be expected, what projects needed.

COSTS Only one new employee, a controller, was added to create the accounting system. By intelligent transferral of personnel, no services were lost and new ones were gained. What has been gained in efficiency and new forms of revenue has offset minor added expenses at least tenfold.

Transact Important Business At Jeff High PTA Meeting

Regular monthly meeting of the Jefferson Union High school PTA, held recently in the Little Theater, saw the initiation of three important steps. New officers were nominated and unanimously elected as follows:

President, Mrs John Eckert; vice-president, Mrs. Edward Goldkuhl; recording secretary, Mrs. Charles Hansen, corresponding secretary, Mrs. Frank Klassen; treasurer, Mrs. John Hiller; historian, Mrs. Albert D'Isep; and auditor, Mrs. G. Reandeau. These officers will be installed on April 12 at the next regular meeting.

Mrs. Robert Pool, parliamentarian, and her committee have been working on a revision of the PTA by-laws. She read the proposed revisions and it was moved that these be put to a vote at the next meeting. Mrs. Pool also drafted a set of standing rules, which were voted for acceptance.

Program for the evening was a panel discussion under the direction of Thanos Panagoulias. His panel consisted of students, Ed Dennis and Bob Grubb; parents, Mrs. John Hiller and Mrs. Edward Goldkuhl; teachers, Miss Pat Leam and special guest Dr. Henry C. Hall from the staff of San Francisco State college.

First question posed was answered by Dr. Hall on how intercommunication between school, and the community can be improved. One of the points he stressed was that educators should communicate in non-technical terms in order to reach a larger audience.

In answer to how home environment affected a child's attitude toward school, Mrs. Hiller asserted that it could have either a "positive or negative" effect. The next question, "Should public education be held primarily responsible for the moral training of its pupils?" was answered by Mrs. Goldkuhl. She believed that moral training begins long before a child enters school However, the school should uphold and strengthen this train- wherever possible.

Ed Dennis was asked if parents should pre-determine the vocation of their children. He held that they should to a considerable degree but if there was any doubt, they should consult with qualified counselors. Panagoulias asked Bob Grubb if television was a handicap to home study. Bob said that that was something which had to be determined by each indivdual. However, he added that he believed radio was definitely soothing to students and they could concentrate better with it.

Miss Pat Leam, a teacher on the high school staff, was asked what effects the post-war years had on the family. Her answer included many effects but perhaps the most important was the mechanization of every day living and the noise which we have learned to live with from the vacuum cleaner to jets.

If the voters do not authorize a loan from the state, another 800 will be added to the list of those attending split sessions by 1958.

+ STOP DOUBLE SESSIONS
+ INSURE YOUR CHILD OF A "FULL-TIME" EDUCATION

This Is Not A Bond Issue!

Re-payment of the loan will be based on the district's financial ability to make payments. The re-payment can be spread over a 30-year period, and if the district is impoverished, it need not make these payments

If the loan is approved, it would add an average of 76½ cents a year in taxes per homeowner. In other words, for about six cents a month, you can give your children education under a full-time schedule—just twice what some of them are receiving now.

Honeywell, Howard Set Marks In Track Victory

Jefferson high school's varsity track squad won its second straight dual meet of the young season Friday over Lincoln of San Francisco, 61-52, on the Indian oval, and set two new school records in the process. The Jeffs meet South San Francisco today on the local track in the league opener.

The Indians also eked out a 57 2/3 - 55 1/3 win over Lincoln in the class B meet, but lost 47-41 in the C division.

Jim Honeywell, Jeff's grid great, bettered the school 440 mark with a :51.2 clocking. The old record was 52 flat. Jerry Howard leaped 20 feet, 6½ inches to better the old school broadjump standard by 3½ inches.

Ron O'Rourke was Jeff's only double winner with :10.2 in the century and :23.6 in the 220. Other Jeff winners were Don Weisner 16.2 in the high hurdles: Grasso, 2:06 in the 880, Thornton, with a :21.8 low hurdles; and Chase, 10-6 in the pole vault.

A pair of victories by Sonny Martinez featured Jefferson's B victory. Martinez took the 150-yd. dash in :16.4, and the broadjump with a leap of 18 feet, 2 inches. Andy Estigoy took the 1320 in the good time of 3:30.5, and teammate Al Davila copped the 660 in 1:30.5.

Other winners in the B division were Ron Molina, :10.9 over the highs; Dave Harris, 102 feet in the discus; and Lovazzano, with a nine-foot pole vault.

Harvey Martin, with a :15.8 clocking over the low barriers; Gordon Tydingo, 4-10 in the high-jump; and Ellenberg, with a 17-8 broadjump, were the Indian winners in the C meet.

Van Alstyne Paces All-Stars Cage Win

Byron Van Alstyne and Tony Giammona, Jefferson high school coaches, dumped in 17 and 11 points respectively as the San Bruno all-stars downed the San Francisco 49ers basketball team, 75-54, Saturday night at Capuchino high school.

Giammona's two clutch baskets proved the margin of difference as the Jefferson faculty came from behind to trip the Capuchino faculty, 39-36, in a preliminary game. Giammona tallied 13 points, but Van Alstyne was high for the game with 14.

Jeff Scores Victory Over S.M. Golfers

Coach Mike Orlich's Jefferson high linksmen tuned-up for their league opener Tuesday with Sequoia by downing the San Mateo high school golf team 18-9 Tuesday at San Mateo.

Although he lost his match, Stan Weld took medalist honors for the Jeffs with an 83. Following him were Wayne Guisti, 84, Al Harris, 84, Steve Opperman, 86, Dick Stokui, 87, and Jim Giblin, 87. Stokui was the only other Jeff to lose his match.

The Indians will try to recapture the PAL crown they won in 1954 this season. They face their first hurdle Tuesday at Lake Merced country club against Sequoia. Last season they lost the championship by two strokes.

Ryan Hurls Indians F-S To Lowell Win

Jefferson frosh-soph hurler Gary Ryan hurled three-hit ball to give the Indians a 6-2 win over Lowell Monday on the Jeff Diamond. The young Jeffs opened the league season against Burlingame yesterday (Thursday) on the opponents' diamond after THE RECORD went to press. Results will be given next week.

Jefferson was held to three hits also, but walks and five Lowell errors helped them get the six runs. Ryan got two of the Jeff hits.

In other practice games, the frosh-soph tied Sacred Heart, 5-5, at Silver Terrace, and dropped a 3-2 decision to Sequoia Friday on the local diamond.

The Jeffs meet Lincoln Tuesday at 3:15 p.m. on the local field, and San Mateo at 3:15 Thursday here in a league game.

V & F Regain Lead In Local Bowling

After a single week out of the leadership, Vince & Fred regained first place in the Daly City-Colma Bowling league by downing Carl's Pizzeria twice Tuesday night at Brentwood.

Lloyd Selmi's 214 game, 544 series, and Tony Santos' 202 single 545 trio, led the tavern club's double victory.

D. Driton, 534, and C. Knapp, 548, rolled top scores for the losers.

Westlake Homes, which held temporary leadership last week, dropped half-a-game off the pace as they lost a pair to third-place San Pedro Lunch. Dell Fehl tossed a 224 game, 536 series, to set the pace for San Pedro. Westlake's Dick Keefer compiled a 544, while his teammate Hank Amstutz had a 531.

The standings now show Vince & Fred with 50½ victories, 24½ losses, against Westlake's 50-25, and San Pedro's 46-29.

In other games Tuesday, Daly City Cleaners took two from Brentwood Lodge, Thur Meat captured a pair from Luce Meat, and Starway upset Paul's Flowers twice. George Curry topped the Thur club with a 540 trio, while B. Wills of Starway led his team's attack with a 205 game, 514 series.

With only two weeks remaining in the league competition, Vince & Fred faces Luce Meat and Brentwood Lodge, while Westlake should have a tougher time against Daly City Cleaners and Paul's Flowers.

BOCCI, CANTWELL WIN K OF C GOLF

Municipal Judge Thomas L. Bocci of Garden Village teamed with Dave Cantwell to capture the Northern California Knights of Columbus golf title last week.

The duo, representing the Marian Council Knights of Columbus, Daly City, turned in a best ball score of 70, with Bocci carding a 74, Cantwell a 78, on the difficult Lakeside course at the Olympic club.

They downed Mel and Bill Kennedy, defending K of C champs, 6 and 5.

The judge and Cantwell will vie for the state crown at the Knights competition May 29 in San Diego.

Colma Cagers Drop Decision To Millbrae

Colma's eighth grade varsity dropped a hardfought 42-28 basketball game to Millbrae Friday at the War Memorial center.

Phenomenal 75 per cent shooting from the floor enabled Millbrae to pull away to victory in a close, exciting game. Millbrae took a 16-10 lead in the first quarter, and the teams battled on even terms until the fourth quarter when Millbrae extended its margin.

Art Banos led the Colma scorers with eight points. Following him were Mickey Woodbury with six; Richard Reese, five; Mike Cosgrove, five; and Tom Kett and Richard Mortola, two points each. Webb Parker, Homer Dickenson, Roger Stahl and Jim Heick also saw action for Colma.

Colma closes out its season March 23 with a game at South San Francisco.

Rasor Sets Record, Jeff Mermen Lose

Although Jefferson high school's varsity swimmers took it on the chin from powerful Palo Alto, Dick Rasor provided some consolation for the Indians as he bettered the B class PAL and NPAL standards with a 47-flat clocking in the 75-yd. individual medley in an inter-league meet last Thursday in the local pool.

Palto Alto won the varsity division, 60-17, and the thirties meet, 43-23, but Jefferson salvaged a 28-22 win in twenties competition.

Andy Ruelas in diving and Lippert, with a 1:01.1 in the 100-yd. backstroke, were the Indians' varsity winners.

In addition to his record performance, Rason took the 100-yd. breaststroke in 1:14.3. His were the only firsts for Jefferson in the thirties division.

Jeff's three and four men relay teams nabbed victories to pace the Indian win in the twenties division. Their other first was a :57.2 by Howard in the 50-yd. backstroke.

Jefferson met Carlmont in the opponents pool yesterday (Thursday) after THE RECORD went to press. Results will be given next week.

Jefferson Tips Burlingame 5-2, In NPAL Opening Tilt

Jefferson high school's varsity nine got off to a good start in league play with a 5-2 win over Burlingame Tuesday on the Jeff's diamond in the NPAL opener for both clubs.

Today (Friday) the Indians face an early season test when they collide with defending champion and pre-season favorite San Mateo on the Bearcats' home field.

Ray Vuillemainroy hurled runless ball for five innings to chalk up his third consecutive victory for the Indians in as many games. He and Tex Prentice, who relieved him at the start of the sixth inning, allowed Burlingame but four hits.

Vuillemainroy fanned two and walked none in his five-inning stint, while Prentice struck out four and passed four in his two innings. Both Burlingame runs came off Prentice in the seventh after the game was pretty well tucked away for the Jeffs.

Jefferson jumped off to a one-run lead in the first inning, and held it all the way, adding two more in the fourth and fifth each. They managed five hits, all singles, off the Burlingame twirlers. Mike Wedlake led the Indian attack with two hits in three trips. Vuillemainroy, Franzoia and Bill Strassburger got the other Jeff safeties.

The Indians warmed up for their league opener with a 15-10 victory over Oakland high in a sloppily played game last Friday on the losers' diamond. Vuillemainroy was once again the winning pitcher.

Outfielder Bob Grubb was the big gun in the Jefferson hit parade. He hit safely three times in five trips to the plate, including two home runs, and drove in four runs.

The Jeffs used the big inning in winning their third practice game in a row. They scored ten times in the third inning on four singles, a home run by Grubb, four walks, three errors, and a triple steal, in which catcher Bill Strassburger stole home, to overcome Oakland's six-run lead.

Even after the big third frame, the Indians were forced to use five pitchers, including second baseman Ino Patron, to preserve the win. Vuillemainroy struck out three and passed one in his four inning chore. All told, the Jeffs banged out 12 hits to 10 for Oakland.

Tuesday the Indians will take a rest from league play and travel to San Francisco for a game with Washington high. Then they will participate in the South San Francisco invitational tourney Thursday, Friday and Saturday.

Rams, Hepcats, Vikings Lead Kickball Lead

Sara Mitchell's Rams maintain a narrow lead in the seventh grade division, while Betty Welp's Hepcats and Forrest Simoncini's Vikings are tied for the lead in the eighth grade division of the Colma school's girls' kickball league.

The Rams boast a 5-0 record as the league reaches midseason. Miss Lupe Castillo's Leopards hold down second place in the seventh grade league with a 4-1 mark.

Behind the Hepcats and Vikings, who have 5-0 marks, are Eleanor Miller's Hornets, with a 4-1 record in the eighth grade league.

The eighth grade Colma girls' volleyball team defeated Holy Angels recently at the losers' school. Playing for Colma were Lala Patron, Pat Delfino, Emma Hale, Jerilyn Vickers, Diana Dier, Sandra Leavitt, Elaine Boyle, Mary DiMaggio and Judy Massoni.

Jefferson high school frosh-soph pitcher Jim Wilson threw a no-hitter Tuesday as the Indians defeated Balboa, 5-2, at Ocean View.

Coach Byron Van Alstyne's young Indians scored two runs in the second to take the lead, were tied in the Bua half of the second, and then iced the game with three runs in the third. They picked up five hits.

Balboa got its two runs in the second when Wilson walked five men to force in the runs.
